

CLIENT – MR. AND MRS. MCLARDY

A large house on a difficult rocky elevated site to the north of West Kilbride town centre providing a 360° vista from one of two stair/lookout towers.

**CORSEHILL, 11B CORSEHILL
DRIVE, WEST KILBRIDE**

The house is constructed in highly insulated polystyrene frames infilled with concrete over 4 levels in a landscaped garden setting. It has been designed to maximize internal and external views across the Firth of Clyde with low maintenance finishes throughout.
