**CLIENT – MR & MRS BANNER**

Refurbishment of two linked flats in a “B” Listed converted house dating from the 1830’s. The brief was to sympathetically upgrade the interior fabric to create two flats linked by a common hallway. Works included minor internal alterations, re-fitting of kitchen and bathrooms, re-servicing and full interior design / redecoration.

Constructed by negotiation with a main contractor using the SBCC Minor Works Contract with Contractor’s Design and completed on budget and on time.
